

Prasenjit Paul

Senior Vice President and SBU Head, Retail, Manufacturing, and Transportation (RMT)

Prasenjit Paul is the Senior Vice President and SBU Head of Retail, Manufacturing and Transportation (RMT) at Innova Solutions. In this role, he leads and manages an extensive portfolio of clients across North America, Europe, Asia, and Australia. He leads the business unit that manages clients across healthcare, transportation, logistics & travel, retail, consumer goods, manufacturing, and technology.

Prasenjit's wealth of experience in technology consulting spans over three decades, where he has led critical conversations with the 'C' Suite and Business Unit executives. He also brings in a rich consultative sales and solutions approach to clients' digital transformation needs.

Before joining Innova Solutions, Prasenjit led the Strategic Business Unit at Cognizant. He has served in leadership roles at Capgemini, IBM, Accenture, and Tech Mahindra (formerly Satyam). He has extensive experience leading businesses across multiple regions, including North America, Europe, and Asia, from sales to delivery.

Prasenjit is a certified coach and mentor for complex delivery and sales deals and holds many professional certifications. In his free time, he enjoys playing tennis and globetrotting.
