

Mike Dietrich

Global Chief Information Officer

Mike Dietrich oversees global IT organization at Innova as the Global Chief Information Officer. He brings a highly diverse business background to this position, having held senior executive roles in IT, operations, finance, marketing, supply chain, and logistics.

Most recently, Mike served as the group IT executive responsible for the launch of FIS's "Tech Next Modernization and Innovation" transformation program. Prior to that, he led a cloud and infrastructure engineering group and was the executive in charge of digital transformation at Comerica bank.

Mike lives in Holly, Michigan, with his wife Susan.
