

## Gautomi Chowdhury

*Segment Head, Digital Health Tech*

**Gautomi Chowdhury** is the head of the Digital Health Tech segment at Innova Solutions. In her role, Gautomi partners with Payers and Providers to improve and optimize business processes leveraging technology, digital platforms, AI/ML orchestration, analytics-driven solutions and change management using a domain-driven and consultative-selling approach, built on trust and mutual respect.

A seasoned professional with over 22+ years of experience, Gautomi brings deep business technology acumen to deliver transformative programs that address various business issues across IT strategy, digital acceleration, Go-to-Market sales, and channel enablement. Her core skills include enabling a strong sales and global delivery ecosystem leveraging internal and external partnerships with Salesforce, Pega, AWS, Azure and bringing forth Innova's product and services capability to deliver superior customer experience.

Prior to joining Innova Solutions, Gautomi held several key roles in Sales and Delivery capacity managing Payer, Provider, Insurance portfolio, and leading large global teams. Her technical background has enabled her to establish teams with high performance thought-leaders and deliver outcome-based solutions. Her industry experience spans insurance, healthcare, retail, publishing, and telecommunication verticals in the areas of CRM, enterprise applications, business intelligence, and enterprise performance management.

She resides in Princeton, New Jersey with her husband, daughter, and a yellow Labrador.
