

Kelly Walton RHIT, CCS

Director of Healthcare Business Solutions

Kelly Walton is the Director of Healthcare Business Solutions at Innova. Kelly is a multi-credentialed coding, revenue integrity auditing and education professional with nearly 10 years of experience.

Kelly's notable experience includes developing customized coding and physician education for healthcare systems nationwide and being a 3M 360 implementation subject matter expert. Kelly is also a seasoned speaker at local and state conferences, such as MEHIMA and AAPC Bangor, ME Chapter. For several terms, Kelly taught the coding curriculum as Adjunct Faculty Member at Beal College in Bangor, ME; her alma mater. Her passion for mentoring and educating the HIM community continues in her role at Innova Solutions. Kelly's operating motto is "steel sharpens steel and we all stand to learn from each other."

Kelly's strong subject matter background began as an inpatient coder and since then has expanded to include professional billing, charge reconciliation, physician education and outpatient workflows. In addition, she has served as a valued member of ICD 10 implementation and revenue cycle committees.

A passionate HIM professional, Kelly is proud of her professional and academic accomplishments. Kelly holds an Associates of Applied Science degree in Health Information Management and holds the AHIMA RHIT and CCS credentials.
