

## Madhuri Kakarla

*Chief Delivery Officer*

**Madhuri Kakarla** brings more than 25 years of experience in global delivery, product and portfolio management, business development, and operations to her role as Chief Delivery Officer for Innova Solutions.

Madhuri has established and operated global delivery centers in more than seven countries for companies such as Franklin Templeton, Invesco, and Change Healthcare. She has taken enterprise clients through the “Build, Operate, & Transfer” (BOT) journey more than a dozen times, with a focus on transformation, innovation, optimizing IT & business functions, and improving shareholder value. Throughout the course of her career, Madhuri has had an impact on driving significant growth for several companies, including Mphasis, Ness Technologies, and Covansys (now DXC Technology).

In her free time, Madhuri likes to cook and host family dinners. She also loves to spend time with her son and extended family, volunteer, and run various community programs, including providing educational scholarships for underprivileged children through her non-profit organization.
