

Ruby Pandit

Group Vice President, Strategic Initiatives

Ruby Pandit is the Group Vice President of Strategic Initiatives at Innova Solutions. She is a strategic business advisor to the Executive and Senior management of various business units. Ruby is also responsible for executing Business Strategy, Executive Talent Acquisition, and People Operations at a global level.

With more than 25 years of experience in technology consulting, Ruby began her career with Innova Solutions in 2001, as a sales executive. She moved up the value chain by assuming various roles and responsibilities in sales, strategic initiatives, and executive recruiting. During her career at Innova Solutions, she has led several high-growth accounts within Telecom, Financial Services, and Life Sciences verticals. Prior to Innova Solutions, she worked at HCL and NIIT in India, selling IT hardware and software solutions to clients. Additionally, she has an excellent track record of building teams for a highly matrixed diverse workplace.

Ruby has a BS in Chemistry from Pune, India, and an MBA from Goizueta Business School of Emory University in Atlanta, GA. She is a member of CHIEF and member of the Executive Women of Goizueta in Business Development and Strategy. She is an avid reader of business journals and an active participant in women's events related to technology and diversity.
