*Senior Vice President & Country Head, India & APAC SBU*

**Pradeep Yadlapati** is the Senior Vice President & Country Head of India & APAC SBU at Innova Solutions. Pradeep is responsible for driving Innova’s “One Culture;” strengthening the company’s digital transformation capabilities & delivery; and positioning Innova’s value proposition across client accounts. He leads various industry verticals within the Asia-Pacific (APAC) region, including India, Singapore, Australia, and Malaysia—guiding clients on their Digital-First journeys.

Pradeep brings over 25 years of cross-functional experience in sales, delivery, consulting, advisement, strategy, and operations. He is a seasoned professional, helping C-Suite leaders drive strategic imperatives by leveraging his vast experience in market positioning of services as well as driving client roundtables focused on business outcomes. Throughout his career, Pradeep has established deep relationships with several leading industry analysts and advisors.

Prior to joining Innova Solutions, Pradeep spent 25 years at Infosys, where he served in several leadership roles and incubated new offerings. Most recently, he led Infosys’ Enterprise Cloud Ecosystem, helping clients on their cloud transformation journeys by offering advisement/strategy; cloud build & migration services; and AI-based cloud operation solutions. Pradeep was also responsible for establishing strategic partnerships with AWS, Azure, & GCP as well as driving business plans & go-to market strategies across North America, Europe, and APAC.

Pradeep is a Computer Science Engineer and earned an Executive MBA from Stanford University. Passionate about digital, cloud, and automation technologies, he is an avid follower of emerging technology trends.

In his leisure time, Pradeep enjoys running half marathons and long-distance cycling treks. He currently resides in Hyderabad with his wife and two children.
