

Punish Malhotra

*Executive Vice President & Global Head,
Strategic Sales and Partnerships*

Punish Malhotra is the Executive Vice President & Global Head of Strategic Sales and Partnerships for Innova Solutions. His responsibilities in this role include directing Innova's global solution sales organization, partner ecosystems & CoEs, GTM development, and sales enablement.

Bringing over 20 years of experience to his position, Punish has held numerous leadership roles in global organizations, such as Virtusa, HCL, Wipro, EPAM, and Saksoft. During his career, he has developed an extensive set of skills, including P&L management, building and leading sales organizations, building up partner & solution organizations, and leading key strategic initiatives. His most recent role prior to Innova was focused on leading a global cloud and data business.
